Coravin by the Glass (125ml)

WHITE (125ml)

Mullineux, Iron Chenin Blanc, Swartland, South Africa, 2020 £30

100% Chenin Blanc. The latest addition to Mullineux's range of single-terroir Chenin Blancs comes from ferrous soils west of Malmesbury. With concentrated apple butter, delicious yellow orchard fruits and lightly struck match on the nose, this wine has a layered palate that has flavours of citrus peel, peach and kumquat.

Domaine des Terres de Velle, Puligny Montrachet 1er Cru 'Les Referts', Burgundy, France, 2017 £38

100% Chardonnay. Based in Auxey-Duresses, Terres de Velle is a relatively new domaine which was established in 2009 by husband-and-wife team Sophie and Fabrice Laronze. Every year, the couple produces 18 appellations from grapes harvested on their 7-hectare estate, which comprises a real patchwork of different terroirs. This Puligny is delicious, a lovely generous mouthfeel counterbalanced by fine minerality and citrus fruits.

RED (125ml)

Tardieu Laurent, Hermitage, Northern Rhone, France, 2007. £35

100% Syrah. Nestled in the heart of the Northern Rhone's Hermitage region, Tardieu Laurent's 2007 vintage showcases the true essence of this renowned appellation. The result is a full-bodied, well-structured red wine with opulent fruit flavors and a captivating minerality, epitomizing the essence of Hermitage's unique terroir.

Chateau Langoa Barton, Saint-Julien, France, 2018 £45

63% Cabernet Sauvignon, 28% Merlot, 9% Cabernet Franc; 60% new oak. Black core. Intense, small-berried wild black fruits. A very nice combination of dark fruit and savoury black olive. Firm, dense and compact in tannin structure but not tough or drying, just very tannic. There's freshness on the finish despite obvious tannins.

SWEET (70ml)

Inniskillin Cabernet Franc Icewine, Ontario, Canada, 2022 £35

100% Cabernet Franc. Harvested in the winter, the grapes are naturally frozen on the vines and picked when the temperature drops below -10c. The removal of ice crystals, separated from the frozen grapes during pressing concentrated the juice into a delicate nectar to achieve the rich and alluring speciality known as Icewine. Aromas of rhubarb, and raspberry. On the palate cherry, strawberries and cream. This wine shows a beautiful balance of richness and acidity.

PORT (70ml)

Fonseca Vintage Port, Douro, Portugal, 1992 £30

This colossal vintage port reveals a nearly opaque black/purple color, and an explosive nose of jammy black fruits, licorice, chocolate, and spices. Extremely full-bodied and unctuously-textured, this multi-layered, enormously-endowed port reveals a finish that lasts for over a minute.

The Best of British

GUSBOURNE, KENT

At Gusbourne they let nature be the guide, they work with the land and encourage biodiversity through sustainable practices. Carefully choosing grapes from specific plots in Kent and West Sussex, they strive to make the best quality wine they can.

Only selecting the best grapes from Burgundian clones by green harvesting, which means they cut away and lose a third of every growing bunch to increase the intensity of the chosen bunches to continue on the vine.

RATHFINNY WINE ESTATE, SOUTH SUSSEX

Husband and wife, Mark and Sarah Driver, established the Rathfinny Wine Estate in 2010 on a working arable farm with the express intention of producing some of the world's finest quality English sparkling wines.

Their vision is about a great deal more than the production of outstanding Sussex Sparkling wine. Rathfinny aims to contribute something special to the unique spirit of this beautiful part of Sussex, which has been farmed since medieval times.

DAVENPORT VINYARDS, EAST SUSSEX

At Davenport Vineyards, Will Davenport has been making wines for 27 years, building from a small start up to a collection of vineyard sites that total 20 acres. The aim is to make wine of the highest quality possible and to make wine that is a true expression of their grape varieties, soil and climate of the vineyards.

He believes that the best way to achieve this is by interfering as little as possible and letting nature take its course (with a modicum of guidance of course). The use of organic methods helps to bring the desired results and has the benefit of also minimising their impact on the environment.

Our Seasonal Selection

WHITE

Montenidoli Vernaccia di San Gimignano 'Tradizionale', 2019 £ 89

The Montenidoli vineyard occupies 24 hectares on the slopes of the hill west of San Gimignano. The Tradizionale follows the "old tradition" of production and with extraction, brings on a straw yellow/gold colour with herbal and almond perfume, rich flavours and a dry, crisp aftertaste. The finish smacks of savoury spice and some bitter almonds, and some warmth

Corte sermana, Lugana Riserva, 2015 £ 105

A wine with a deep straw yellow color, whose aroma recalls complex herbaceous floral notes, with fruity hints of citrus fruits, it has a dry, very harmonious and balanced flavor, persistent softness and marked minerality located in the southern part of Lake Garda. The company takes its name from the Sermana stream that forms the natural border between Veneto and Lombardy and flows into the lake. They dedicate themselves to the cultivation of the autochthonous Turbiana single varietal for the production of Lugana. Their vineyard is located just 15 meters from the lake. The characteristics of the soil and the particular microclimate lead to the creation of extremely fine, mineral wines suitable for aging..

RED

Pedrp Parra 'Imaginador', Itata Valley, 2019 £ 61

Pedro Parra is a renowned soil and vineyard mapping expert with a Masters and PhD in Precision Agriculture and Terroir from the institut Agronomique National in Paris. As a consultant to many well-known wineries in the Americas and Europe, he has spent much of the past 18 years discovering new sites Fermentation occurred using natural yeasts in concrete vats and open top stainless steel tanks with very short pump overs during the 10 day fermentation period. The wine underwent 10 to 20 days of maceration before being aged in a mix of untoasted oak tanks. Enjoy this 100% Cinsault cranberry and wild herbs with vibrant acidity and fine tannins. The minerality from the granitic soils carries through from the nose to the long, refreshing finish.
