By Coravin

White (125ml)

Tardieu Laurent, Saint Peray VV, Rhone Valley, France, 2018. £19

50% Marsanne, 50% Roussanne from 100 year old vines. A wine of great tension with a stunning array of wild flowers, ginger and wild herbs.

Juan Carlos Sancha, 'Cerro La Isa', Rioja, Spain, 2019. £23

A single vineyard blend of Garnacha Blanca, Malvasia and Viura matured in large 500L oak barrels. The oak however is very well integrated and provides lovely spicy and smoky notes to the wine. A real stunner with terrific concentration and freshness.

Red (125ml)

Mullineux Iron Syrah, 2017, 13.5%, £32

100% Syrah. The 'Iron' is the fullest bodied of Mullineux's Single Terroir Syrahs. On the nose, it is spicy and savoury, with dark berries. The palate has soft and velvety - yet firm - tannins with hints of orange peel, cloves and white pepper.

Chateau Langoa Barton, St Julien, 2009, 13%, £40

54% Cabernet Sauvignon, 34% Merlot and 12% Cabernet Franc. From the absolutely superb 2009 vintage, this is an enormously concentrated wine with notes of blackcurrant, menthol, black cherries finishing with dried herbs and subtle sweet spices - an absolute joy!

R. Lopez de Heredia Rioja Gran Reserva, Vina Tondonia, 1995, 12.5%, £45

70% Tempranillo, 20% Garnacho, 5% Graciano, 5% Mazuelo. The 1995 is the essence of Vina Tondonia. It has developed aromas of leather, cured meat, cherries and spices. It has a super fine texture with fully resolved tannins and good acidity.

Sweet (70ml)

Chateau Rieussec, Sauternes, 1999, 13%, £20

Semillon & Sauvignon Blanc. The 1999 is Drinking really well. Expressive aromatics of lavender, honey, apricot jam and orange blossom. Full, rich, sweet and intense with good volume and real freshness to the finish.

Our Seasonal Selection

White

Mas de Daumas Gassac Blanc, 2021 £150

One of my first 'wine epiphany's' outside of Burgundy. Mas de Daumas Gassac is located in the Haute Valee where it benefits from its own little micro-climate, generally famous for its reds, their whites are also stand out. The Viognier adds ripe orchard fruit flavours but as the wine starts to come alive in the glass warm buttery notes from the Chardonnay start to unfurl which are all balanced by great acidity

Red

Domaine Daniel Dugois Trousseau 'Cuvee Grevilliere, 2019, £81

The domaine was founded by Daniel in 1973 and is situated at the heart of the 'golden triangle' of the Jura - between Arbois, Salins-les-Bains and Poligny - in the village of Arsures, 5km from Arbois itself. There are 9 hectares of vines in total - all tended according to the semi-organic method of 'lutte raisonnée' - and the soil is composed mainly of clay, marl and gravel - perfectly suited to the cultivation of the Trousseau grape of which Daniel is a specialist. This Trousseau is both delicate and elegant, musky on the nose with attractive tannins. Morello cherry, spices, blackberry jostle for attention on the palate and there is an edge of pinesap which makes this very appealing.

Cantine Vittorio Innocenti, Vino Nobile di Montepulciano, Tuscany, 2016, £79

Vittorio Innocenti gave up teaching philosophy a number of years ago in order to concentrate on his 32-hectare estate based at Montefollonico near Sienna in Tuscany. He is aided by his theatre-historian wife Maria-Rosa and their son Tommaso and together they produce excellent examples of the Sangiovese grape out of their 13th century cellar based in the centre of the town. Aged in oak for 2 years and made from Prugnolo ('plummy') Gentile (the local name for Sangiovese). Canaiolo Nero and Mammolo grapes. Aromas of black cherries, violets and mint. On the palate, firm and dense with pronounced yet well-balanced tannins. Further black fruit notes combine with a spicy backbone.

The Best of British

Davenport Vineyards, East Sussex

At Davenport Vineyards, Will Davenport has been making wines for 27 years, building from a small start up to a collection of vineyard sites that total 20 acres. The aim is to make wine of the highest quality possible and to make wine that is a true expression of their grape varieties, soil and climate of the vineyards.

He believes that the best way to achieve this is by interfering as little as possible and letting nature take its course (with a modicum of guidance of course). The use of organic methods helps to bring the desired results and has the benefit of also minimising their impact on the environment.

Davenport Limney Sparkling Rose, East Sussex, 2018 £115

Light rose colour and shows the characters of Pinot Noir, with the backbone of the Chardonnay giving it some structure, ideal as an aperitif.

Davenport Horsmonden Diamond Fields Pinot Noir, East Sussex, 2019. £85

One of the best English red's that we've tried - quite dense and rich for a Pinot with flavours of damson, cherry and redcurrant, grippy tannins lends itself to heartier meat dishes
