GUSBOURNE, KENT

At Gusbourne they let nature be the guide, they work with the land and encourage biodiversity through sustainable practices. Carefully choosing grapes from specific plots in Kent and West Sussex, they strive to make the best quality wine they can.

Only selecting the best grapes from Burgundian clones by green harvesting, which means they cut away and lose a third of every growing bunch to increase the intensity of the chosen bunches to continue on the vine.

NYETIMBER, WEST SUSSEX

Nyetimber, based in West Sussex, is a pioneer of English sparkling wine. First recorded in the 1086 Domesday Book, the estate was transformed into a vineyard in 1988 and has since expanded to 425 hectares across 11 carefully selected sites in Sussex, Hampshire, and Kent. Owned by Dutchman Eric Heerema and guided by award-winning Head Winemaker Cherie Spriggs, Nyetimber crafts exceptional sparkling wines exclusively from Champagne varieties—Chardonnay, Pinot Noir, and Pinot Meunier. Their meticulous winemaking process, including estate-grown, handpicked grapes and traditional Coquard pressing, ensures remarkable quality.

DAVENPORT VINEYARDS, EAST SUSSEX

At Davenport Vineyards, Will Davenport has been making wines for 27 years, building from a small start up to a collection of vineyard sites that total 20 acres. The aim is to make wine of the highest quality possible and to make wine that is a true expression of their grape varieties, soil and climate of the vineyards.

He believes that the best way to achieve this is by interfering as little as possible and letting nature take its course (with a modicum of guidance of course). The use of organic methods helps to bring the desired results and has the benefit of also minimising their impact on the environment.

WHITWOLFE ESTATE, KENT

Whitewolfe Estates, located in Kent's North Downs, is an emerging name in English wine. Founded by Clare Whitehead and Luke Wolfe, the 10-hectare vineyard benefits from a unique microclimate and chalk-rich soils, ideal for Chardonnay. Planted in 2020 with seven Burgundy clones, the vineyard produces wines that balance freshness with complexity. Their meticulous approach-from clone selection to cellar experimentation-yields refined Chardonnays with flinty minerality and citrus elegance. Despite its youth, Whitewolfe Estates has already gained critical acclaim, showcasing the potential of Kent's Kit's Coty region.

RATHFINNY WINE ESTATE, SOUTH SUSSEX

Husband and wife, Mark and Sarah Driver, established the Rathfinny Wine Estate in 2010 on a working arable farm with the express intention of producing some of the world's finest quality English sparkling wines.

Thier vision is about a great deal more than the production of outstanding Sussex Sparkling wine. Rathfinny aims to contribute something special to the unique spirit of this beautiful part of Sussex, which has been farmed since medieval times.

Rathinny Classic Cuvee Brut, South Sussex, 2018 **£100**

Rathinny Blanc de Noir, South Sussex, 2019 **£125**

CRADLE VALLEY, SOUTH SUSSEX

Alongside their renowned sparkling wines, Rathfinny produces still wines under the Cradle Valley label, using fruit exclusively from their estate vineyard. Reflecting the estate's rich biodiversity, their Pinot Gris is crisp and refreshing, with notes of pear, white peach, and apricot, fermented in stainless steel with a touch of old French oak.
