Insider Selection

The Insider Selection highlights wines that offer something a little different. Chosen for their individuality, character, and sense of discovery, these bottles showcase regions, varieties, and winemaking approaches that sit outside the familiar.

Each wine is chosen for its ability to surprise while remaining balanced, approachable, and enjoyable at the table, with guidance from the team towards something a little more exploratory.

SPARKLING

Kir-Yianni, Xinomavro Brut, Macedonia, Greece, NV 70

A fresh and expressive Greek sparkling wine made from the native Xinomavro grape, showing delicate notes of peach, apricot, and soft florals. The palate is bright and precise, with fine bubbles and a clean, refreshing finish. Its lively acidity and subtle fruit make it particularly well suited to the lighter, seafood-led dishes on the menu, echoing the freshness and coastal influence of Skye.

WHITE

Gabrielskloof 'Amphora', Sauvignon Blanc, Walker Bay, South Africa, 2023 85

A more textured and savoury expression of Sauvignon Blanc, fermented in amphora to bring out a softer, more rounded profile. Citrus peel, stone fruit, and gentle herbal notes are supported by a subtle grip, giving the wine both freshness and structure. This balance allows it to sit comfortably alongside dishes with depth and richness, where texture and layering are key.

Zorah 'Voski', Vayots Dzor, Armenia, 2022* 105

From high-altitude vineyards in Armenia, this wine brings together freshness, texture, and mineral clarity. Notes of orchard fruit and gentle citrus are lifted by a clean, precise finish, giving it both elegance and versatility. It works naturally with seafood, where its balance of lift and structure complements both delicate flavours and more composed dishes, much like the style of cooking found throughout the menu.

RED

Bedoba, Saperavi, Kakheti, Georgia, 2022 61

A modern expression of one of the world's oldest winemaking cultures, offering dark fruit, subtle spice, and a savoury depth that builds across the palate. Firm yet polished tannins give structure without heaviness, allowing the wine to pair confidently with richer plates, particularly where bold flavours and depth are present.

Craggy Range Vineyards, Te Kahu Gimblett Gravels, Hawke's Bay, New Zealand, 2021 89

A refined, Bordeaux-inspired blend showing dark fruit, subtle spice, and a composed, structured finish. There is a sense of familiarity in its style, but with a clarity and precision that reflects its New Zealand origin. It sits comfortably alongside classic meat dishes, offering depth and balance while maintaining a polished, modern edge.

The Best of British

British wine plays a central role on this list. What was once a curiosity has become a clear expression of quality, precision, and ambition, with producers now crafting wines that confidently stand alongside international benchmarks. This section celebrates growers with a strong sense of place and a commitment to expressing the very best of what England has to offer.

LANGHAM WINE ESTATE, DORSET

At Langham Wine Estate in Dorset, the team focuses on crafting high-quality sparkling wines that express the character of their chalky soils and cool coastal climate. From their south-facing vineyards, they grow the classic Champagne varieties and produce traditional-method wines with a strong sense of place.

Their approach centres on careful vineyard work and minimal intervention in the winery, allowing the fruit and terroir to shine through. This philosophy results in precise, elegant sparkling wines that reflect the purity and freshness of the Dorset countryside.

WHITEWOLFE ESTATES, KENT

Whitewolfe Estates, located in Kent's North Downs, is an emerging name in English wine. Founded by Clare Whitehead and Luke Wolfe, the 10-hectare vineyard benefits from a unique microclimate and chalk-rich soils, ideal for Chardonnay. Planted in 2020 with seven Burgundy clones, the vineyard produces wines that balance freshness with complexity. Their meticulous approach—from clone selection to cellar experimentation—yields refined Chardonnays with flinty minerality and citrus elegance. Despite its youth, Whitewolfe Estates has already gained critical acclaim, showcasing the potential of Kent's Kit's Coty region.

DAVENPORT VINEYARDS, EAST SUSSEX

At Davenport Vineyards, Will Davenport has been making wines for 27 years, building from a small start-up to a collection of vineyard sites that total 20 acres. The aim is to make wine of the highest quality possible and to make wine that is a true expression of their grape varieties, soil and climate of the vineyards.

He believes that the best way to achieve this is by interfering as little as possible and letting nature take its course (with a modicum of guidance of course). The use of organic methods helps to bring the desired results and has the benefit of also minimising their impact on the environment.

GUSBOURNE, KENT

At Gusbourne they let nature be the guide, they work with the land and encourage biodiversity through sustainable practices. Carefully choosing grapes from specific plots in Kent and West Sussex, they strive to make the best quality wine they can.

Only selecting the best grapes from Burgundian clones by green harvesting, which means they cut away and lose a third of every growing bunch to increase the intensity of the chosen bunches to continue on the vine.

VELFREY VINEYARD, PEMBROKESHIRE

At Velfrey Vineyard in Pembrokeshire, Wales, the focus is on producing high-quality wines that reflect the unique coastal climate and varied soils of the region. From a small, family-run site, the vineyard cultivates a range of grape varieties suited to the local conditions, aiming to express both freshness and character in every bottle.

With a hands-on, low-intervention approach, the winemaking allows the fruit to speak for itself, guided by careful vineyard management and a respect for nature. This results in vibrant, well-balanced wines that capture the individuality and charm of this emerging Welsh wine region.

Nyetimber, based in West Sussex, is a pioneer of English sparkling wine. First recorded in the 1086 Domesday Book, the estate was transformed into a vineyard in 1988 and has since expanded to 425 hectares across 11 carefully selected sites in Sussex, Hampshire, and Kent. Owned by Dutchman Eric Heerema and guided by award-winning Head Winemaker Cherie Spriggs, Nyetimber crafts exceptional sparkling wines exclusively from Champagne varieties—Chardonnay, Pinot Noir, and Pinot Meunier.
